PUBLISHERS' NOTE.

This book was originally published as a small handbook in 1879, and has, through many editions, grown into a handsome volume of some 500 pages, with 72 full-page plates (including 8 in colour), and the marks and monograms of all the ceramic factories. The illustrations represent over 2000 specimens from public and private collections. Much additional information is given about the characteristics as to paste, colouring and differing peculiarities of the various factories, and a newly-written chapter on values and prices will be of interest to collectors.

"The Old-World House is brimful of rich information."
The Times Literary Supplement.

"Regarded as a handbook of English Furniture, written for the collector in a chatty strain, The Old-World House is excellent, and its 700 odd illustrations are chosen with discrimination."—*The Spectator.*

PUBLISHED BY A. & C. BLACK, LTD., 4 SOHO SQUARE, LONDON, W.1

NOTE

As it was necessary to begin printing the book early in July, in many cases occurrences of a later date are not recorded; deaths reported up to the beginning of October have been included, however, in the Obituary.

It is well to bear in mind that a proof for correction cannot be sent unless there is an address. As any sort of correction, even well-meant attempts to cut down biographies, involves expense, it is requested that no alterations should be made unless absolutely necessary. Corrections must be made on the proofs themselves and not written out on separate slips of paper.

Any one who has had the Companionage of a British Order conferred on him and has not yet been included in *Who's Who*, is invited to write for a form on which to fill in particulars as to birth, parentage, career, etc., for the next edition.

PUBLISHERS' NOTE.

Everyone is agreed that travel, whether in one's own country or abroad, is the greatest stimulus to broad-mindedness and culture in its widest sense. Happy are those who are able to enjoy its advantages. Here are books for the traveller, written in a pleasing and discursive style, full of information, yet much more than guide books—very beautiful and effective aids to the enjoyment of travel, both immediately and in retrospect.

Even more acceptable are these books to those who are less fortunate, for they supply in no small measure the joy of an actual visit to many of the countries and towns of Britain, and they give more than a mere tantalising taste of the delights of foreign lands.
